NEWS RELEASE NO. 79, SEPTEMBER 2006

More signs of Maitreya's emergence

Worldwide reports of miracles involving people of all faiths – and those of none – appear almost daily. *Share International* magazine has been reporting these phenomena for many years but a sceptical world has seen these happenings as isolated events and has made no attempt to connect them or to question what is behind them, why they are happening or what they mean. We suggest that they all come from the same source, and are created for a purpose – as signs of the emergence of Maitreya, the World Teacher and His group, the Masters of Wisdom.

Benjamin Creme, author, lecturer and editor of *Share International*, receives an article each month from a Master of Wisdom. In April 2006 his Master wrote: "From statues which weep and move to light patterns which adorn the fronts of buildings across the world; from shining crosses of light to milk-drinking Hindu gods, the signs are endless. Few can have been untouched by these wonders. Doubters and sceptics, of course, are ever to be found. But not for long. Very soon, the climate of expectancy will grow and register firmly in the minds and hearts of men everywhere, and into that expectant atmosphere Maitreya will enter and begin His open mission."

Within the last two weeks three remarkable miracles have been reported by world media. According to Benjamin Creme, these miracles were created by Maitreya, the World Teacher and His group, the Masters of Wisdom.

New 'milk miracle'

THOUSANDS OF PEOPLE have been flocking to temples in many parts of India to witness Hindu statues 'drinking' milk offerings. First reported in Uttar Pradesh, northern India, on 20 August 2006, the miracle rapidly spread to many states, where witnesses saw the milk vanish when offered to statues of Krishna, Shiva, Durga and Ganesha. Long queues formed outside temples in Lucknow, Kolkata and Delhi, and temples remained open late at night to accommodate the crowds. Similar miracles are also occurring with statues in people's homes.

Eleven years ago, in September 1995, world media reported on the amazing 'milk miracle' when thousands of Hindus flocked to temples and shrines all over the world to witness for them-selves statues 'drinking' milk offerings. The media coverage was extensive and even sceptical journalists held their milk-filled spoons to the gods – and watched, humbled, as the milk disappeared.

Madonna statue drips perfumed water

HUNDREDS OF PEOPLE from different religious faiths travelled to a Catholic family's house in Velli village, near Kochi in Kerala, India, after news spread of miraculous perfumed water dripping from a statue of the Madonna.

The miracle was first noticed on 21 August 2006. An eyewitness said the water dripping from the statue "smells beautiful". Local shopkeeper Alexander Jacob said: "It is true. I touched the water that is dripping from the statue. It is a miracle from Mother Mary."

Miraculous water-spouting tree

A 100-YEAR OLD RED OAK TREE has been spouting water from its trunk for the last three months at the home of Lucille Pope in San Antonio, Texas. Journalist Cary Clack reports in the *San Antonio Express-News*: "Walking into Mrs Pope's backyard and seeing water pouring continuously from a tall red oak, like tea spouting from a kettle, made me widen my eyes, smile, shake my head in astonishment and disbelief and say: 'Damn if that tree isn't leaking.'" Mrs Pope remembers that a visitor dabbed a few drops of the water on a spider bite and the swelling disappeared. Later, Mrs Pope soaked her sore ankles in the water and they quickly improved. She now believes that the "mystery tree" is, indeed, special and that the water has healing properties.

Share International — background information

For over 30 years artist, author, and lecturer Benjamin Creme has been preparing the way for the biggest event in history — the emergence of Maitreya the World Teacher and His group, the Masters of Wisdom. Millions of people around the world have heard his information and wait expectantly for this momentous event.

Since 19 July 1977 Maitreya has been living in the Asian community of London, gradually emerging before the public. Long awaited by all faiths under different names, Maitreya is the World Teacher for all people, religious or not.

Maitreya's 'roving ambassador' Benjamin Creme travels the world spreading his message of hope and creating a climate of expectancy for Maitreya's emergence. Trained and supervised over many years by his own Master, with whom he is in constant telepathic contact, Benjamin Creme has access to up-to-date information on Maitreya's emergence, giving him the total conviction needed to present this story to a sceptical world.

As a modern man concerned with today's problems, Maitreya works behind the scenes of our changing world. The outpouring of His extraordinary energy has been the stimulus for dramatic developments on many fronts: the ending of the cold war; the break-up of the Soviet Union; the unification of Germany; the ending of apartheid in South Africa; the growing power of the people's voice, leading to demands for freedom and justice; and the worldwide focus on preserving the environment.

Outwardly Maitreya has met with influential leaders from all fields, informing them of His solutions to our pressing problems. His message can be summarized as: "Share and save the world." He has not come to found a new religion but as an educator in the broadest sense. He will seek to inspire humanity to see itself as one family, and to create a civilization based on sharing, economic and social justice, and global co-operation.

For those who seek signs of His coming, Maitreya has manifested miracles worldwide, touching the hearts of millions and preparing them for His imminent appearance.

With Maitreya and His group working openly in the world, offering Their guidance and teachings, humanity is assured not only of survival but of the creation of a brilliant new civilization.

According to Benjamin Creme, we do not have long to wait to see Him. Soon, Maitreya will be interviewed on major US television and His open emergence will begin.

Benjamin Creme regularly lectures worldwide, and appears on television and radio — in the USA alone he has been interviewed on more than 700 radio and television shows. He is author of 11 books — translated into 11 languages — and is editor of *Share International* magazine which circulates in 70 countries. He receives no payment for any of this work. Benjamin Creme offers a positive view of the future — a message of hope for the world.
